

We are seeking the following to complement the team in our Florence office:

CERTIFIED DENTAL ASSISTANT OR EXPERIENCED DENTAL ASSISTANT

Part-time with hours to be negotiated

Great dental benefits, paid vacation and holidays

You'll enjoy competitive compensation in a fun, professional environment with a focus on whole-body wellness.

A good fit for the team is described as:

Confident, positive, outgoing, friendly, caring, organized, teachable, joyful, quick, bright, energetic, graceful under pressure, eager to learn, thorough, accountable, detail-oriented, resilient, ambitious, collaborative, courteous, enthusiastic and self-confident.

Clinical Skills:

- Minimum 5 years experience with crown and bridge, composites (no amalgams), implant restoration, and surgical extractions
- Outstanding commitment to sterilization and infection control procedures
- Exceptional ability to discuss treatment options and treatment procedures in patient- friendly language and motivate patients to move forward with treatment
- Exceptional communication skills (personal, verbal and written)
- Excellent and varied computer skills
- Internet navigation facility (ecommerce, email, digital photography/MP3)
- Ability to trouble shoot office technology issues and equipment
- Front-line phone and reception skills
- Ability to promote the benefits of excellent dental health and the value of exceptional and comfortable treatment
- Ability to prioritize, anticipate, and follow-through in a timely fashion
- And of course, the ability to multitask, organize, and prioritize effectively while being interrupted continually ... and enjoy it all with a smile!
